1. Please read 2 Peter 1:15-19. The Apostle Peter talks about how he is diligent and endeavors in particular ways in his own spiritual life, as well as, helping other believers. In what ways are you helping others spiritually grow? Are there some particular people that are helping you spiritually grow in a particular way, in this season of your life?
2. “90% Percent of life is showing up.” Is there a certain area in your life that if you were to physically show up, it would shore up your spiritual development? Being more consistent coming to church? Connect Group? Sunday morning Prayer Team? What about metaphorically “showing up” in regards to being more available for your spouse/children? Being available to help in a ministry?
3. Although we might not be following after cunningly devised fables, where do we/you in the modern-day church, have a tendency to be easily deceived, or even distracted? What are some possible solutions to these present dangers?
4. Peter talks about making known the power and the coming of our Lord Jesus Christ. What particular truths/characteristic(s) of God, are you making known to others around you?
