Coastal Christian | Are “These Things” in You? | 2 Peter 1:8-9 | Pastor Matt Stokes

1. Read 2 Peter 1:1-9. Where is the Spirit of Christ “abounding” in you, in this season of your life? How do you know?
2. What does “Christ consciousness” mean to you? Please share with your group regarding a time when your current crisis was mentally/spiritually hijacking your Christ consciousness.
3. It’s one thing to be blind. It's another thing to close your eyes when you need to discern and make a determination. Is there an area of your life, (a situation, a concern, thoughts about the future, etc.), where you may be shutting your spiritual eyes to what God wants you to see? Discuss how hard it is to be honest with yourself when these moments arise in your life.
4. Take a few moments to “gaze upon the Gospel.” How does this gazing result in the growing of your faith? As you are growing and “adding to your faith,” how often do you really come back to the Gospel? Why is Peter making it a priority, warning us not to forget that we “were purged from our old sins”?
