**Coastal Christian | Childlike Faith in An Almighty God: El Shaddai | Matthew 18:2-4 | Jesse Stokes**

1. Jesse mentioned that we need to have childlike faith in an Almighty God. Children have wonder and amazement as well as simple trust in what they are told. How would you rate yourself on your wonder and trust when it comes to your relationship with God and why?
2. Losing your wonder and childlike faith in God is a slow process. It does not happen overnight. It is a slow process of drifting. How can you tell that you are personally drifting from the Lord? (For example - bad attitude, not wanting to pray, getting more tempted by the world, etc.)
3. What is an aspect of God where you have trouble having simple faith? (For example - God's love for you, God's provision, His power to help you, His plan for you, your salvation, His control of all things, etc.) What steps can you take to trust God in these areas? (Feel free to open up about a specific situation where you need to trust God, or trust God more.)
