1. Please read 2 Timothy 2:19-26. Verse 19 says that everyone that names the name of Christ should depart from iniquity. What are you doing right now, that, if you were to depart from that behavior or belief, Jesus would shine even brighter from your life?
2. Reread verse 21. Do you have any principles, directives, or strategies, to manage unhealthy believers who are holding you back in your spiritual development?
3. Reread verse 22. It's one thing to work on your faith. It's another thing to forge out your faith with other believers in the fellowship. What practical steps are you taking to join with others, in a combined effort, fighting to further faith, together?
4. Reread verse 23. In a moment of honest introspection, are there any ways that you might be draining someone else's strength as they are trying to persevere in their walk with Christ?
